

Get inVESTed with Watts!

Get outfitted with a Carhartt® vest

That's right. For **every \$500 of invoicing you submit** for Watts valves with press connections, we'll give you a Carhartt vest customized with a Watts logo.

We now offer select water pressure reducing, hydronic, mixing, and ball valves with press connections for light commercial and residential applications. As an alternative to a solder joint, you can use these valves for both new construction and renovation projects.

Choose our press connection valves for your projects to save time and money on installation!

Get started today!

Just submit your invoice(s) for Watts valves with press connections to your sales representative and fill out the enrollment form your representative will provide.

Promotion runs from November 14, 2016 through March 31, 2017.
